A MESSAGE FROM THE PRESIDENT

By the time you read this Newsletter the 2021/22 Pennant Season minor round will be completed.

While Port Elliot Bowling Club enjoys a healthy membership there is need for us to be more competitive on the green. The Ladies pennants have for a number of years held a Tuesday meeting followed by a practice session.

This has no doubt assisted players in practising their shots and improving relationships with their colleagues.

In recent weeks thanks to the guidance of Peter Cullen, a skills practice session has been introduced and those who have participated have already shown an improvement in their game.

It is anticipated that next season, skills training for all Divisions will become a set fixture.

PEBC Foundation Club

This year's Men's Seafood Day was like no other of the 20 + previous ones.

Covid had an impact on how we could organise the day, so we split the 28 teams into 2 x 14 team sections with one section finishing their first game 7 ends before the other one This gave Kym and his catering crew enough time to " do their thing'.

And didn't they "do their thing" wonderfully well, after a very nervous NO GAS start to the day.

Normally we would serve unpeeled prawns and smoked fish with salad and desert but this year (due to Covid restrictions) Kym and his crew provided a fantastic individually served luncheon of prawns, fish, calamari, potato bake and 2 salads, then topped it off with a huge serve of wine trifle. Darryl Hammat, President of Victor Harbor, in thanking the volunteers was very generous in his praise of the kitchen and bar staff. He said that "in the 30 years he had been bowling all around Australia, that was the best meal he had ever had".

In the past we have put wine on the tables, however this year the bar staff served the wine to the bowlers - a la top quality restaurant service.

Secondary to the meals and the service was that the 28 teams actually bowled; although after lunch a few said that they just wanted to have a sleep.

So - (for those who are still reading this, here are the results)

Overall

Winner Gary Fox - Goolwa

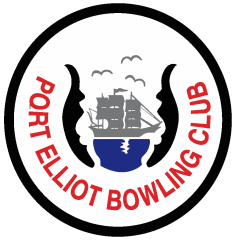

Footnote: Gary and Judy Fox put (another) \$1000 into sponsorship for PEBC . Champion

Runner - up David Bennett - Naracoorte

3rd place Lindsay Scaife - Salisbury

Best Section 1 team Harry Phillips - McLaren Vale

Best Section 2 team Greg Giannikos - Two Wells

THANK YOU

- * The catering crew and the Bar staff - wonderful job
- * I was very appreciative of the "Phantom team" of David Cammack, Ern Taylor, Barry Newman and Ian Toogood. They weren't required on the day, but have automatic entry into the Men's Skins Day next month.
- * Helen Taylor as usual did a great job of the table settings.
- *Lyn Wenman got some terrific raffle prizes together and made a heap of \$'s.
- * Bill May and Jeff Owen always make the organisation and scoring "seamless".
- * Mary Ferguson for doing the winners envelopes.
- * Michael Yeoman and his greenkeeping crew.
- * I bet I have missed someone - my apologies.

To all of you - A HUGE THANK YOU FOR ONE OF THE BEST DAYS EVER AT PEBC

Successful application to Department of Recreation & Sport Infrastructure Project

Port Elliot Bowling Club has been advised of the success of our recent application for Dept of Recreation & Sport funding to upgrade current floodlighting on A & B Greens to LED.

The Grant funding will be matched by club funds. The project which will be fitted into the club maintenance schedule over the winter break will vastly improve bowling conditions for Night Owls next season, resolving poor lighting and shadow issues.

It will also give opportunity to develop other evening programs, e.g. twilight games and opportunities which attract more local people to come out and get active and possibly run Championships at times convenient to workers.

Importantly, LED lighting will also be more cost effective, energy efficient and environmentally responsible, emitting less carbon.

We are grateful to Rebekha Sharkie, MP for Mayo, Phil Dodd, PEBC Patron, Port Elliot Town & Foreshore Improvement Association, Alexandrina Council, Bowls SA and also to club members who gave written support for our application. David Basham, State Member for Finniss was unable to give written support since funding sought was in his electorate.

PROPOSED TRIP TO THE RIVERLAND BY THE PORT ELLIOT BOWLING CLUB

I have been asked by several members if it is possible to organise a trip to Renmark as a bowling exercise and a chance for members to relax and enjoy each other's company.

In past years this was carried out by Maryjane Mellor and Sue Bridgwood and was highly successful with approximately 40 of our members going for a week or so.

I would like to gauge whether we have enough members are keen to follow up on such a plan.....I have a team of members ready to help with the organisation.

Please get back to me if you think that you will be interested, rj.lind@bigpond.com or 0419865826. No commitment needs to be made at this stage.

There are 2 clubs in Renmark...Renmark club (2 synthetic greens) and The Lawns, formally Renmark RSL (3 grass greens.)

We play a few games at each club

We base ourselves at the Big4 caravan park in Renmark. Caravan site or cabin accommodation.

You can choose when and how often you play

You do not have to have an organised team to play with. The idea is to mix everyone up! The organisers will choose teams.

Some events are mixed and some are single gender. Pairs, triples and Fours are played on different days.

One night will be set aside for a group dinner at the Renmark Club for those who wish to attend.

There will be a group luncheon planned for one day in the caravan park

You can tour wineries etc on days that you are not bowling.

Renmark Club: Sunday August 21st – Friday August 26th

The Lawns: Saturday August 27th – Friday September 2nd

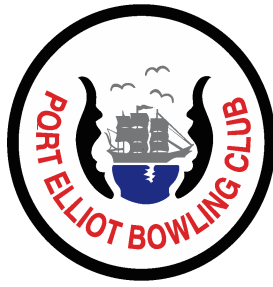

Please consider joining in with this venture.....guaranteed to be a lot of fun.

NO WINNERS BUT LOT'S OF GRINNERS

After the Ladies Division 2 semi final game at Encounter Bay, they where invited back to the Maxfield's for a beverage of support for the next game. Good to see a couple of Division 1 players there also.

It was great to see the comradery of the players and the spectators who came to watch the game having a great time together.

A BIG BIG thankyou to the Maxfield's for putting on a wonderful spread and also the wine was fantastic.

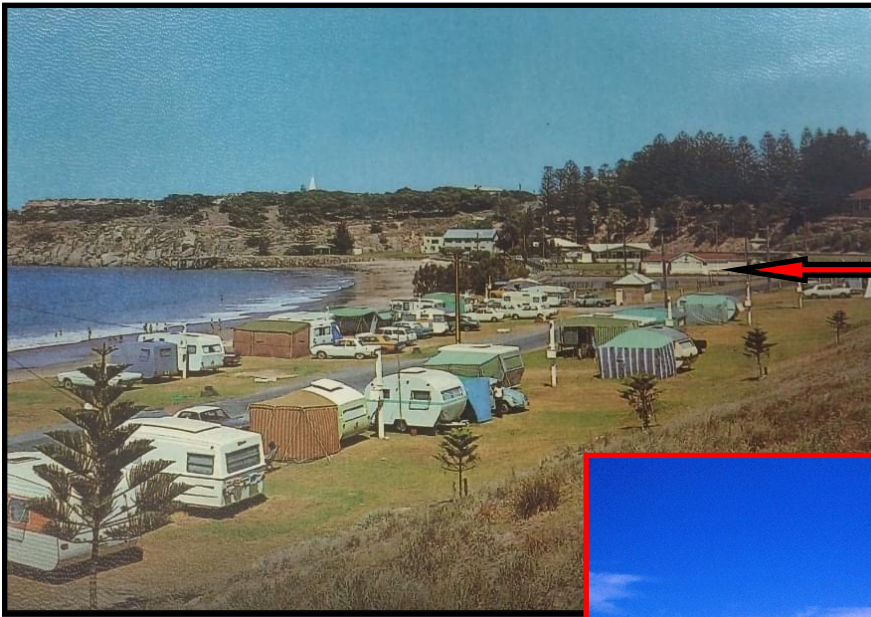

Thank
you
