**NEWSLETTER**  
**OCTOBER 2023**

**A MESSAGE FROM THE PRESIDENT**

Welcome back to all members who have been away during the “off season”!

Its great to be back involved in Pennants on Thursday and Saturday and exciting to see how many of our teams are doing well!

Last Saturday we had all our Pennant teams win which hasn't happened for a while and was something to really celebrate!

We have some hard work ahead of us if we are to challenge to win pennants and promotion this year. I would encourage as many of you as possible to attend organised practice each week, or if that is not possible then make time to come down to the club during the week to practice and hone your skills!

Remember, we have excellent coaches who are ready and waiting to offer advice and support should you need to focus on a particular part of your game.

Congratulations to all our selectors on your appointment to select for Thursday and Saturday Pennants and Congratulations to Trevor Wilson on his appointment as Chair of Selectors on Saturday.

Please remember to contact your selector first, if you are unhappy with any aspect of selection which impacts on you. If you require further clarification or information, then your next step is to read the by-laws which detail the process for resolving issues.

I would ask you not to discuss selection issues with selectors or approach board members around issues related to club management on game days, as this impacts on their own game day focus.

## A MESSAGE FROM THE PRESIDENT cont.....

Good luck to our Saturday and Thursday bowlers!

Our tournaments and club championships are underway, thanks to Bill May, Jan Lind and Eileen Love, Trevor Wilson and helpers for their work in the organisation and management of our tournaments. Thanks also to Mike Geisler and Anthea Faull for organising and running our club championships. It has been exciting to see increased numbers of members participating in several of these competitions.

It's great to see so many members supporting other clubs Tournaments and Gala Days. We receive tremendous support from other local clubs and it is important that we continue to support each other by participating in their competitions when we are able. It's also a great way to get to know the idiosyncrasies of the greens we will be play pennants on!

Night Owls is entering its fourth week and is proving to be successful, enjoyable and a pathway to Club membership for those who get the "bowling bug"! Thanks, in particular to Tina, Lynn and Chris Maxfield as well as our amazing kitchen staff and all the other helpers who work behind the scenes to make this such a successful competition.

Come and Try Bowls and Social Bowls on a Sunday afternoon is underway! Thanks to Jan, Dorothy, Ron and helpers for organising and running this. Please come along and support this initiative if you fancy a social game on a Sunday afternoon.

# **SOCIAL BOWLS AT PORT ELLIOT BOWLING CLUB**

**COME & PLAY AT HORSESHOE BAY**

**SUNDAY AFTERNOON 4pm – 6pm**

**SOCIAL BOWLS FOR NEW AND EXPERIENCED BOWLERS**

Was launched on 15<sup>th</sup> October and is planned to run most Sundays through summer season.

The plan is to recruit and encourage new bowlers, to give Night Owlers an opportunity to practice and improve their skills, for anyone who would like a social game – or who may have missed out on a pennant game, to come along, form up teams and play a social game.

There is no obligation to play every week. Just meet in the clubroom by 4pm and play for the day will be organized.

Week 1. We were pleased to welcome 8 new “Come & Try” players – It was a cold, wet day so lots of discussion – introduced to the fundamentals but only a short time on the green.

Week 2. There were 10 Come & Try who were finding line and weight and improving by the minute - plus around enthusiastic 10 Night Owlers who were keen to improve their play.

Week 3. Coming up 29<sup>th</sup> October:

Members are also invited to join in the fun, bring along friends, or family members, to have a go, join in a game, or just socialize with other members in or out of the clubroom. The Bar will be open.

**COME, JOIN THE FUN – 4PM – 6PM most Sundays.**

(We do have a couple of weeks in November when the club is booked for State Games – .Participants will be advised and an email will be sent out to members advising when that is the case).

Dorothy, Jan and Ron are organizing games, and thank those members and coaches who come along to assist.

## **A Selectors Prayer**

Blessed are they who can still be taught

Blessed are they who accept with grace to play in any  
selected place
